**Section III. Read the passage and answer the questions below. (1 pt)**

London, the capital of England and the United Kingdom, is located on the river Thames. It is one of the largest cities in Europe with the population of over eight million. London is divided into four parts: the City, Westminster, the West End and the East End.

The City is small in area but it is the commercial heart of London. Many banks and offices are situated there. St. Paul's Cathedral in the City is very large and beautiful. It was designed in the late 17<sup>th</sup> century by Sir Christopher Wren, one of the most famous English architects and completed in 1710. If the City is called the commercial heart of London, Westminster is the center of the administration. We can see the House of Parliament there. The West End with the best and most expensive clubs, restaurants and theaters, beautiful houses and parks is the place where rich people live. Working people live in the East End, where there are no parks or gardens and no fine houses.

- 41. What is the population of London?
- 42. How many parts is London divided into?
- 43. Which part is the commercial heart of London?
- 44. When was St. Paul's Cathedral designed?
- 45. In which part of London do working people live?
